Inquire about our custom design service: We will design a birthday invitation from scratch, unique to your event. Make your 21st birthday party memorable with the enticing 21 bday invites that your friends will absolutely love. Everything you need to know about writing your 21ST birthday invitations We've got answers to all your most pressing birthday questions right here: Invitation wording, guest lists and themes. WHO SHOULD I INVITE FOR MY 21ST BIRTHDAY? First, decide which circle - or circles - of people you want to send a 21st birthday invitation to, and include in your celebrations. This may be affected by the number of guests you are able to host. For a minor event, you can stick it to the family only: either immediate family or extended family (cousins, grandparents, etc.) depending on the size of your family and how close your relationships are. Some people also like to stick to friends of a gender who have girls 21st birthday weekend spa retreat or a boys night out. In addition to family, consider what friends friends be invited to the big 'birthday 21'. Do you want to include work colleagues? Planning to use the event as a reunion for old friends? If you've only known someone for a few weeks or months, will they get an invitation? It's important to think about how different groups of your friends will interact. If some of your friends are likely to have a wild night of drinking, think about how your family or colleagues might see this. It may be easier to have separate events with different groups of people if there are significant differences that can cause tension. You don't have to have a luxurious, distinguished 21st birthday party if you don't want to, but make sure a wild night won't cause your reputation any harm. At least, try to make sure there are a few people from each 'group' so no one will be left sitting awkwardly alone, feeling out of place. That's a lot to think about, but a little bit of planning goes a long way to making your party a great success. WHEN SHOULD I SEND MY 21ST OF MY 20S? Invitations should always be sent out about 4-6 weeks before the big day. However, if people are going to travel, you should tell them the date as soon as possible so they can take their own action. You can send a save date card prior to the invitation, or a phone call or email will suffice. If you are in the year 21sts that many people experience as all their friends mark the big milestone, you may need to think about betting out a date well in advance and make it known to others so that there are no significant clashes. If this is the case for you, a save date card is the best option. This can be sent out several months before the apartment. A correct invitation should always follow a save date, and each person who received the save date should also receive an invitation. 21st birthday invitation ideas and styles It can be overwhelming when you're looking for ideas for 21st birthday invitations, and there are so many different styles to choose from. Fortunately, we have all the 21-year invitations you may need, and we can help you figure out what's popular and what's right for you. Our blog is also full of inspiration and suggestions for 21 bday ideas, so feel free to browse if you are stuck for ideas for 21st birthday invites or any other aspect of the day. From the simplest birthday invites to something more ornate like thwarted pink and gold birthday invites, we have something for everyone. Whether you are looking for a minimalist text birthday invitation or a beautiful illustrated design, there is plenty to choose from. All our styles are popular in a variety of print types. Digital printing (plain ink on premium paper, either matte or glossy) is the most affordable option, but many people like to splash out for their 21st with a fancy choice like real foil or letterpress for to stand out. We also have photo cards - a popular choice for people who want to incorporate a 21 21 image of them as a child, or anyone who has had 21st birthday pictures taken and wants the opportunity to share a recent photo of themselves. This kind of photo shoot is less common in Australia, but graduation or 21st birthday photos are common in some parts of America

and other countries. Why not be the first to bring 21st birthday photos to your friendship group? 21st birthday photos are a great way to capture the joy and celebration of this wonderful milestone. Soon all your friends can do 21st birthday pictures. Nice work, trendsetter! DO I NEED FREE 21ST BIRTHDAY INVITATION TEMPLATES? 21st birthday invitation templates, editable birthday invitations and birthday invitations online for free are popular for people who are planning their party on a budget. After all, saving a little money with birthday templates means you can put more on the tab at the bar. So it's a no-brainer, isn't it? 21. invitations templates or bday invites online can be a lifesaver if you are on a tight budget, which is why we offer a few customizable birthday templates over in our main birthday invitations article. These are easy to download, customize with all your own information in Word or Pages and print using your own printer. But free online 21st invite templates are not always the best choice. Be sure to weigh all factors when it comes time to make your decision, and if you want to make party invitations online for free, why not choose the option that you know is giving credit to the original designer? Our birthday templates at Paperlust are a secure and reliable solution - and you can even send them out digitally if you don't have a printer (or send them out a little late). When you book professional birthday invitations, you get more than just a first-class, high-quality invitation. You typically get envelopes, you have professional printers to make sure everything goes smoothly, and you're covered if something goes wrong during the printing process. You have customer service at all stages of the process to ensure you have a smooth, worry-free experience. Free invitation templates are free, yes, but you will also have to factor in the cost of paper, ink and envelopes, along with the time required for you to print them all. You should also consider the possibility that something goes wrong during the printing process, and you need to print again. There is really no such thing as completely free 21st birthday invitations, there is always a cost involved in printing them and you don't want to get stuck at the last minute to send a text birthday invitation to all your guests! It is also worth remembering that your options will be significantly reduced if you search for free 21st birthday invitation templates online. Not only will you not have access to premium print options (letter press, foil, etc.), but the number of designs you have to choose from will be smaller. This is especially true if you want legit birthday templates that there been ripped from an unsuspecting designer. This doesn't mean you shouldn't use the 21st invite templates, but you should consider all these different factors before you jump at the chance of something cheap or free and end up paying more than you expected. WHAT INFORMATION SHOULD BE INCLUDED ON MY 21ST BIRTHDAY INVITATIONS? Make sure that your guests have all the information they need to attend during the day, including: The name of who the party is for the date of the party, the time of the party, the venue and the address of the party, RSVP by date and contact details You can also choose to include information about travel and accommodation if guests want to come from a distance , and any gift events you have made. See our guide to formulating your birthday invitations for help finding the perfect 21st birthday invitations. There's something for everyone, whether you're looking for formal, simple or even fun 21st birthday invitation formulation. 21st Birthday Gifts: Registering or asking for money You have options when it comes to your 21st birthday gifts. The main ones are: Gift registry - using an online gift registry or registration with a local store Wishing well - cash instead of gifts Charity instead of gifts - choose a charity and ask for donations in your name instead of gifts for you A certain category of gift - for example, if you want to bring a gift you need to bring something to help me get set up as I move out this year. No gifts No preference - If you just want good old-fashioned gifts, don't specify anything for your guests. It is perfectly appropriate to be aware of what category you would like for your 21st birthday. This will help your guests spend their money wisely on something you'll actually like and spend, especially seeing as the 21st birthday is when people tend to throw in a bit more cash. You can include this information on the invitation itself on a separate card sent out with the invitation, or you can have the information spread by word of mouth. Of course, whatever you decide, gift preferences must always be set tactfully! I NEED 21ST BIRTHDAY IDEAS FOR THEMES! 21st birthday parties are the perfect opportunity for a theme that is fun and youthful, but sophisticated and grown-up at the same time. Sounds like a hard balance, but with the right theme it's easy. 21 themed parties are extremely popular, often in the form of a costume party, with costumes based on the 21 birthday theme. Some of the most popular themes for 21st birthday parties include: Carnival Around the world Journey through the past Metallic or glitter Color Pattern Masquerade Casino While these are some of the most popular 21st birthday themes, there is no rule that you have to stick to any of these! In fact, the more creative, the better. The great is that so many of these themes are gender neutral, so whether you're looking for 21st birthday party themes for guys or girls 21st birthday ideas, your 21st birthday girl girl 21st birthday guy can definitely find an option that suits them! You can even look at getting a 21st birthday banner, 21st birthday pin and 21st birthday button in these themes. Check out our full list of 21st birthday theme ideas for over seventy different categories of inspiration (looking for 21 birthday themed ideas should be fun, not stressful)! Whether you're looking for formal, classic 21st birthday ideas or more casual 21 birthday themed ideas, there's something there for everyone. You can have a formal 21 birthday picture, or you can make your guests laugh with a cleverly crafted 21st birthday meme. There are also other articles on our blog specially written to help you come up with 21st birthday party ideas (including 21st birthday party ideas for your 21st!) We have 21st birthday ideas for men, 21st birthday ideas for girls, and themes for every occasion. 21 birthday cards and 21ST birthday lights Tripped on this article because you're looking for a great 21 bday card for your friend or relative? We sell greeting cards, most of which will work perfectly as a 21 birthday card. To customize 21 birthday cards, simply click on the design and follow the instructions on the page to create a personal 21 birthday card that suits your loved one down to earth. Be sure to browse to find a variety of 21 birthday card ideas, from fun 21 birthday cards to sweet, heartfelt and serious birthday 21 cards. We've also put together a useful article about writing messages in birthday cards, so check it out to help craft the perfect 21st birthday greetings. A great rule of thumb with 21-year-old birthday cards tells the person how much they mean to you and encourage them in their achievements or abilities - what better way to express 21 bday wishes than a big pump up of their tires? If you feel not completely comfortable saying happy 21st birthday with the emotional approach that recalls a few funny memories with birthday boy or girl is always a winning recipe for 21st birthday card. After all, that's what the 21st birthday is known for - the funny (and embarrassing) stories. If you have too many ideas for 21 birthday stories to fit into a card, maybe you should express your 21st birthday wishes in a speech so everyone can laugh together! So no matter the theme, location or number of guests, as long as your 21st birthday party invitation looks amazing and feels unique to you, you've succeeded. Time to pop the champagne!
